Dear Sir/Madam:

**COVER LETTER AND
CORRECTION OF USPTO'S IDENTIFICATION OF INVENTOR**

On May 2, 2007, the USPTO mailed a "Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office" document.

In response to that mailing, the applicant submits a copy of that document with a three page transmittal letter, a two page executed declaration, an executed assignment document and cover sheet, this cover letter, a postcard, and a form 2038 for \$105.

We are also submitting this cover letter to correct a typographical error we found on the "Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office" document. That typographical error involves the applicant's name. It appears the USPTO transposed the inventor's middle name and first name. The inventor's name is as follows:

Arie Ben Harush

The inventor's name appears in that order in the original submission of the unexecuted declaration and it complies with the PCT document. Accordingly, we respectfully request the USPTO correct the spelling of the applicant's name.

Respectfully submitted

Kevin D. McCarthy
